

**“Forgiven ... we forgive!”** (Ephesians 4:32)

**Robert & Rosemary McAuley**

Robert and Rosemary McAuley pioneered Victory Praise Centre in Ballymena. This was a church geared towards reaching into the local community, taking the gospel message to people outside the walls of the church. During that time, they saw many people with life-controlling problems come through to a place of freedom. After pastoring for 21 years

they felt an increasing burden to encourage the wider body and, in particular, to come alongside leaders to strengthen and encourage them.

In September 2007 they were released from full-time pastoring and now head up an itinerant ministry called *‘Inspire Ministries’*.

**Keith Gerner**

The Lord has enabled Keith to minister for over 50 years throughout Ireland and in the UK, America, Australia, Singapore and Malaysia. The Holy Spirit has given him experience in revival, including the Charismatic outpouring in Ireland in the ‘70s. Keith has taught on radio and TV. His books include *“Obey the Vision”* and *“A New Day”*.

**Michael Gerner**

Passionate about Jesus, Michael has been following Him for some 50 years. He speaks prophetically with insight, humour and simplicity, bringing encouragement from the Holy Spirit to Christians around the world. Michael loves to see people liberated and set free as they receive the grace of God.
